Chief, Security Staff, OD&E  
Chief, Security Staff, OL

STAT FROM: [REDACTED]  
Chief, Physical Security Division

SUBJECT: Industrial Security Officers Training Course

1. An Industrial Security Officers training course will be held at the Chamber of Commerce Building during the period 20 through 24 September 1982. The course will provide an overview of the Agency's industrial security program and allow for discussions of topics of relevance and interest to Industrial Security Officers. In addition, representatives of the Federal Bureau of Investigation, the National Security Agency and the Defense Investigative Service will provide presentations regarding their Industrial Security programs.

2. Interested individuals should complete Form 73, Request for Training in its entirety and forward it to the Security Education Group, Room 4E21, Headquarters, no later than 3 September 1982. Attendees should possess SI/TK and BYE accesses.

3. Details regarding the agenda and other information is available through Industrial Security Branch representatives,
